

REMARKS

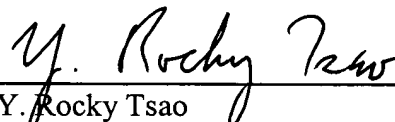

Claims 9, 14, 18 and 21 are currently pending in this application. Applicants would like to thank the Examiner for allowing claims 1-6, 8, 11-13, 15-17 and 20. Applicants also thank the Examiner for a telephonic interview with Applicants' counsel on May 24, 2005. During the interview, the Examiner and Applicants' counsel discussed the rejection of claims 9, 14, 18 and 21 and the amendments to allowed claims 1 and 15. The Examiner agreed to allow claims 9, 14, 18 and 21 upon amendment of allowed claims 1 and 15 to include the word "or" and replace a comma with a semicolon to clearly show that the functional groups, C₁₋₆ alkoxy and N(R²⁶)(R²⁷), are substituents of C₆₋₂₀ aryl (i.e., R⁵). Applicants have made the above amendments and respectfully request the Examiner to withdraw the indefiniteness rejection of claims 9, 14, 18 and 21.

Please apply any other charges to deposit account 06-1050, referencing Attorney's Docket No.: 08919-053001.

Respectfully submitted,

Date: _____
